INARI

APERÇU.

M/Y INARI is a brand-new 49.9m (163.7ft) Benetti B.Now 50M delivered in 2026, representing one of the latest examples of Benetti's highly successful B.Now series. Constructed with a steel hull and aluminium superstructure to RINA class, she combines impressive internal volume with the operational advantages of remaining under 500GT.

Designed by renowned British studio RWD, INARI showcases the distinctive B.Now profile and innovative Oasis Deck concept, which seamlessly connects guests with the sea through fold-down terraces, a generous swim platform and an expansive beach club environment. The result is a remarkable lifestyle space that transforms the stern into an exceptional waterfront retreat.

Accommodation is provided for 10 guests in five beautifully appointed cabins, supported by accommodation for a crew of 10. Contemporary interiors, floor-to-ceiling glazing and thoughtfully designed social spaces create a sophisticated onboard atmosphere suited to both private cruising and entertaining.

Powered by twin 1,400hp MAN diesel engines, INARI cruises comfortably at 13.5 knots and reaches a top speed of 15 knots. Her impressive range of 4,500nm at 10 knots allows for long-distance cruising with true transoceanic capability.

Presented in brand-new condition and available for immediate delivery, INARI offers the rare opportunity to acquire a newly launched Benetti without the wait associated with a new-build project.

Principales caractéristiques

Brand-new 2026 Benetti B.Now 50M, delivered with virtually no use

Signature Oasis Deck with over 1,250 sq ft of beach club
