INCENTIVIZED

# APERÇU.

The 25.2m (82.7ft) INCENTIVIZED is the ninth hull in the AB 80 series. She has full GRP construction with naval architecture by the shipyard. Her sleek and modern exteriors are by Acube Design and offers 81 GT of interior volume.

The foredeck has a large sunpad, aft of which is an open-air dining area. Walkaround sidedecks lead aft to additional lounging space. Inside is a large seating area and dining table surrounding a family style galley.

This yacht can accommodate eight guests in four cabins on the lower deck. Access via a staircase from the main deck lounge. Lower deck aft is the entrance to the spacious owner's suite, which is made up of an office area, full-beam cabin with a forward-facing bed and large en suite bathroom. Moving forward are two twin berths for guest accommodation followed by a full beam VIP double cabin forward.

INCENTIVIZED is fitted with underwater lighting and a large garage with space for the two jetskis and watertoys.

A truly powerful yacht, INCENTIVIZED can reach a speed of 57 knots and easily cruises at 45 knots with her triple MAN V12-2000 diesel engines. Her zero speed stabilisers ensure comfort at anchor on arrival.

## Principales caractéristiques

---

Like new AB 80

---
