INCOGNITO 50M

OVERVIEW.

INCOGNITO is a 50m luxury superyacht built by Overmarine. With her sleek Mangusta style and a shallow draft of just 1.8m (6ft), INCOGNITO is perfect for Bahamas island hopping.

Exhilarating cruising is guaranteed with top speeds of 37 knots (27 knot cruising) whilst retaining smoothness and comfort thanks to gyroscopic stabilisers.

Bahamas based year round, her crew know the hidden gems like no-one else.

The spacious flybridge has a fully equipped bar forward to sip a cocktail before enjoying the BBQ. The lounge area allows for open air dining with a table which transforms to a huge daybed to enjoy movies under the stars on the 40in screen. Aft is a bank of sunpads with awnings to bathe in the sun or relax in full shade, with a misting system on the flybridge and main deck aft to combat the heat.

Dining and seating areas are separated by two 55in back-to-back pop-up TVs. All her AV systems are fully integrated to synchronise throughout.

On the foredeck, a jacuzzi flanked by a huge swathe of foredeck sunpads and lounge.

Heading inside, there's a substantial fully equipped bar opposite a dining table for 10, and a forward facing lounge towards the 85in TV with surround sound. Huge picture windows keep her sophisticated, tactile interiors illuminated. For serious movie watching, head down to the cinema room on the lower deck with its 65in screen, fridge and extra-deep wall-to-wall sofa, which can be transformed to an additional seventh double cabin with single bed.

The stylish full beam master cabin with his and hers bathroom boasts a self standing bath and twin rainfall showers, his and hers walk in wardrobes, seating and a vanity. Forward, the VIP cabin with walk-in wardrobe, en suite and a vanity. Two sumptuous double cabins and a twin complete the accommodation.
