

INFINITY NINE

INFINITY NINE

APERÇU.

INFINITY NINE is a 35.2-metre expedition superyacht built by AVA Yachts in Turkey and delivered in 2022. Her steel hull and aluminium superstructure ensure both strength and efficiency, while her displacement design and bulbous bow afford remarkable stability at sea. Built with long-range cruising in mind, she offers a transoceanic range of over 6,500 nautical miles, cruising comfortably at 11 knots.

The exterior decks of INFINITY NINE are tailored to every mood. On the spacious sun deck you will find a generous swimming pool and jacuzzi surrounded by sunpads, together with a barbecue and bar area for sundowners. Forward seating areas provide panoramic views, while the extended swim platform at the stern offers effortless access to the sea.

Stepping indoors, the interior by AVA Yachts is flooded with natural light through full-height windows. A neutral palette of natural woods, cream leathers and bespoke furnishings creates an inviting, contemporary atmosphere. The main salon features plush lounge seating and a formal dining area, while a dedicated sky lounge on the upper deck provides a cosy retreat with panoramic vistas and a discreet bar for cocktails before dinner.

Accommodation is arranged for up to 12 guests across six exquisitely appointed cabins. A full-beam master suite on the upper deck boasts a private terrace, walk-in wardrobe and opulent en suite bathroom. On the main deck lies a sumptuous VIP cabin, and the lower deck houses three double cabins alongside a convertible double/twin, each with its own en suite facilities. A complement of seven professional crew ensures seamless service throughout your voyage.

For the adventurous spirit, INFINITY NINE's watertoy collection is extensive. On tap are two high-performance jet skis, three SEABOBs for underwater exploration, paddleboards, snorkelling and diving equipment, wakeboards, waterskis and towable inflatables to suit every level of thrill-seeker. A capable 8.5-metre chase tender completes the ensemble, providing effortless shore transfers and island-hopping adventures.
