INVADER

# APERÇU.

Having recently completed a thorough refit, INVADER, looks better and more elegant than ever. The stunning new interior uses a blend of wood panelling with laque gloss finish combined with creme and natural high quality fabrics for a very sophisticated look. Intricate designs using inlays of hand selected onyx and marble are used as flooring in the foyers, baths and dining room giving an artistic feel to the interior.

Entering the large all new main saloon on main deck a spacious sofa area and dining facilities have just been created and completed during the thorough refit. The elegant lines and quality fabrics makes the perfect combination for a luxurious and yet relaxing charter experience.

INVADER, sleeps 10 guests in 5 stylish staterooms, having the master cabin on main deck, with his and hers walk-in wardrobes, en suite marble bathroom with separate shower and tub and owner's office. She has 4 cabins located on lower deck, 2 double with wardrobes and en suite bathtubs and 2 twins with en suite shower rooms.

She has a spacious elevator servicing all decks. On upper deck the large all new sky lounge is fully equipped with a corner sofa area, Home Cinema feature, desk, bar and card table with direct access to the fully shaded dining area on aft deck. Upper deck forward a Portuguese bridge offers a totally private round seating area with shade upon request by manual umbrellas. She has zero speed stabilisers to reduce any rolling motion while at anchor.

The extensive sun deck has an oversized brand new jacuzzi with surrounding sun pads, a bar and a seating with all new fitted awnings for shade - making it the ultimate private deck for relaxation. Additionally quite unique to INVADER is the mast which has a built on observation platform ten feet off of the deck that is accessed by a ladder. Also concealed by the mast is the elevator access.
