IRYNA II

# APERÇU.

**The first addition to the B.Now series, IRYNA is the result of an extraordinary collaboration between RWD studio and Benetti. Designed to balance interior and exterior spaces, IRYNA delivers a remarkable experience at sea. Her sleek, flowing exterior lines are the work of RWD, while Benetti's in-house team crafted the sophisticated interiors. Delivered in 2021 and measuring 50m (164ft), IRYNA is of steel hull and aluminium superstructure.**

IRYNA's outdoor deck spaces are designed to immerse you in your surroundings. The sundeck offers an alfresco dining table for eight, a bar, and forward-facing seating, while her upper deck includes additional outdoor dining options with canvas privacy screens for dining in port, as well as a U-shaped lounge at the bow. On the lower deck, a spacious beach club features a sauna and fold-down side platforms to enhance your connection with the sea, beautifully complemented by a pool that sits flush on the main deck.

IRYNA's contemporary interior showcases a light colour palette, enriched by refined details such as palladium ceiling accents and dark honey-coloured silks. Her main deck saloon offers generous seating and a dining table for eight, connecting to a full-beam master suite designed for privacy, complete with its own balcony. Below, IRYNA accommodates guests in four additional cabins - three doubles and one twin - providing luxurious comfort for up to 10 guests. The upper deck houses a gym and a spacious lounge, completing her impressive interior spaces.

IRYNA features a tender garage that can accommodate a 6.25m tender (20.5ft) and jet ski. She is powered by two MAN engines that deliver her a top speed of 15 knots, while allowing her to cruise comfortably at 12 knots for a range of 4,500 nautical miles.

## Principales caractéristiques
