JAGUAR

OVERVIEW.

JAGUAR is a pedigree Italian yacht that offers something for everyone. Her versatile exterior decks provide spaces for privacy as well as convivial gatherings, while the numerous bars, lounges and dining areas keep things fresh throughout a charter. The fast, comfortable Intrepid tender allows you to explore further afield, and a wide range of watertoys will keep you coming back for more, day after day.

Begin your day with a perfectly made flat white at the bar of the sky lounge while you catch up on the day's news before everyone comes together for breakfast on the nearby upper deck aft. The captain suggests exploring the shoreline on JAGUAR's 37ft Intrepid tender, which has space for everyone in a comfortable setting. After a trip ashore to a local port town or historical attraction, those with a penchant for action join the deck crew to try out the yacht's wide selection of water based activities, including the jetsurf motorised surfboard, jetskis, scuba diving and paddleboards. A specialist watersports tender is ideal for waterskiing, wakeboarding and towable inflatables.

After a busy morning, everyone is ready for a delicious lunch served on the sun deck, with some of the best views on board. Then why not unwind for a couple of hours, taking turns between the large jacuzzi pool and neighbouring expanse of sun pads. Curl up with the children on the sky lounge's sofas to take in the latest animated movie, with warm popcorn and freshly made mocktails prepared by the crew. Or work off your lunch in the master suite's private exercise lounge with a selection of weights and cardio equipment.

JAGUAR's understated François Zuretti decor is the epitome of modern elegance, with warm tones creating a homely setting. She sleeps up to 12 guests in six bright and spacious cabins, including a split level master suite and upper deck VIP suite, two double cabins and two twin cabins. The master suite has its own TV lounge and gym area, while there are stabilisers to be used at anchor as well as underway, providing uninterrupted comfort.

Sundowners are served at the bar on the sun deck, alongside a creative selection of canapes, allowing you to take in the spectacular seascape views before you descend to the upper deck aft for an al fresco dinner of stunning modern European cuisine, topped off with a nightcap in the sky lounge, which has the air of a members' club thanks to atmospheric lighting and music.
