

JASALI II

JASALI II

OVERVIEW.

A performance ketch sailing yacht built by the highly respected Italian yard, Perini Navi, JASALI II has undergone several maintenance and refit periods since her launch in 1998 to keep her updated and looking fresh.

The traditionally styled interior layout accommodates up to 10 guests in 5 cabins. There is a double suite with a sofa, desk and walk-in wardrobe, 2 double cabins and 2 twin cabins - all en suite. There is a separate dining area off the lounge and an incredibly expansive living area in the cockpit. The décor is classical and elegant with varnished wood, cream fabrics and smart accents of nautical navy blue in the soft furnishings.

A staircase leads to the lazarette to access the hydraulic swim platform for easy tender boarding and allows guest to make full use of the water toys with direct access to the water. A side boarding ladder is also available.

JASALI II is a safe, very relaxed and family friendly option with plentiful exterior shade. She is also one of very few sailing yachts to have a crew of 10 stay onboard all the year round.
