JOMAR

# APERÇU.

**Refit in 2019, JOMAR's streamlined profile cuts quickly through the water, reaching thrilling speeds of 32 knots whilst the 6 Seakeeper stabilisers deliver high comfort. Able to welcome up to 10 guests, JOMAR delivers the best of on-water living with impressive exterior deck spaces and an equally spacious interior. Her experienced crew of six will deliver the very best experience at all times.**

There is a sheltered alfresco dining table with comfortable seating. Further aft are settees and expansive sun pads for making the most of the sunshine which can also be converted into a luxurious jacuzzi. Another huge sun pad with optional shading, is located on the forward deck. A seating area with table on the forward deck is a private space for aperitifs or watching the sunset over the clear blue ocean.

Water lovers will enjoy JOMAR's line up of water equipment that includes her 13ft inflatable tender, Sea Bobs, wave-runners, water skis and snorkelling gear for exploring beneath the waves. Back on board there is a good selection of gym gear to enjoy.

JOMAR's stylish design is the work of Stefano Righini, with the elegant main saloon a focal point for guests to gather in and relax. Her stylish interior includes Wengegloss varnish and creamy leather, with Wenge parquet flooring. The saloon's different spaces include a formal dining table for ten, settees, a pop-up television, entertainment system and bar. Large windows deliver outstanding views, and an opening roof gives the option of opening up the saloon to either sunshine or stars.

Five well-appointed cabins include the full beam master, full beam VIP, double cabin, a twin cabin with optional Pullman bed, and a media room that can be converted into another double as needed. The master is warm and inviting with spaces including an entertainment nook, study and en suite that includes its own steam shower. Every guest cabin is en suite and equipped with a modern entertainment system.
