JOURNEY

OVERVIEW.

There are many areas where JOURNEY excels to create a truly wonderful yacht for your next charter. As a resident in the master suite, you'll benefit more than most. As you'd expect, this is a finely presented suite with a beautiful en suite bathroom. The suite has a large opening window that provides ventilation and allows local scents to fill your cabin. There's also an exterior door giving direct access to the side deck. Side deck access allows a breeze to flow through the suite, as well as allowing you to walk from the foredeck or the sea without entering other areas of the yacht. Also, unusually for this class of yacht, the en suite bathroom faces outboard, so you'll enjoy fabulous views from the shower or the sinks.

Your guests don't miss out either, they are treated to fabulous lower-deck suites. There are two double suites with queen-sized berths and large hull windows, and two twin/double convertible suites. This offers you a versatile layout for friends or family to enjoy valuable time together.

JOURNEY's saloon is also a beautiful place to relax, with floor-to-ceiling doors on two sides and enormous picture windows (made bigger by drop-down hull sides) you'll get fantastic views out.

With her fold-down sea terrace just a step away from the saloon, you can enjoy your surroundings, a drink or a dining experience for two from this unique vantage point. It's also the perfect place to observe the antics of those closest to you enjoying JOURNEY's large collection of water sports equipment, they could be buzzing by on the jetski, sedately paddling past on the SUPs, whizzing along on the collection of towable toys, or they might be in the water: swimming, snorkelling, diving, or being pulled along on a SeaBob below the waves.

The outside areas on JOURNEY are exceptional too, from the vast sun terrace ahead of the bridge, to the al fresco dining area in the cockpit, up to the sun deck, and ahead to the foredeck al fresco lounge area, there is a space for everyone. On the sun deck, you'll find a treadmill, an al fresco dining area and sun loungers, so whether you want to run or relax you can spend time in this magnificent setting.

The sheltered cockpit area is a wonderful space for dining. Be it for breakfast, brunch or a banquet, JOURNEY's accomplished crew will ensure every meal is a wonderful experience.

On this stunning yacht, you can focus on JOURNEY and your destination.
