K2

# OVERVIEW.

**Cutting edge inside and out, and only launched in 2021, K2 is something very special. Built by Columbus Yachts you can expect all the behind-the-scenes details of air conditioning, stabilisers at anchor and underway, plus wi-fi throughout – all wrapped up in a beautiful design package from Luca Dini Studio.**

With living space spread over three decks, each of the five cabins showcase the chic modern decor. Guest cabins on the lower deck feature mirrored walls and hidden doors to the en suites - plus exceptional natural light. The owner's suite on the main deck has huge floor space, a private gym, enormous bed and a huge TV. The level of quality is demonstrated in the Japanese-inspired wooden soaking tub in the owner's en suite.

The only question on your mind when you wake in the morning will be what to do first... The gym with full-sized equipment is a great option to start your day with an endorphin rush, alternatively a pre-breakfast jog on the wrap-around upper deck followed by a dip in the fore deck pool. Or perhaps water-level yoga on the swimming platform is more your scene.

Breakfast itself is served on the upper aft deck, which is when you see the crew-guest ratio come into play. With 11 crew on board and the capacity for the same number of guests, the service K2 provides is exceptional. The chef will create your favourite breakfast, be it Eggs Royale, a fresh fruit smoothie or warm, flaky croissants.

The day ahead is yours to decide, as the crew set up the beach club, ready the water toys and open the tender garage door to release the Castoldi JT 21. A trip ashore is always a fun way to spend the morning, with a little shopping followed by lunch. Others want to try out the five inflatables – including the Endless Ride Rotating Tube!

When the heat of the day kicks in the main deck lounge is a cool, elegant space to retreat to and read the news or a good book. Later chef will serve an unforgettable menu at the fine dining table here. Before then join the captain on the bridge as K2 navigates up the coast – charters are an excellent way to explore any destination.

The fore deck pool area is ideal to chill out together in the water, on the sun pads or in the outside lounge under the shade of the awnings. Whatever your guests want from their charter holiday, K2 will make it happen – which means that you can relax and enjoy your holiday too.
