

KING'S LAIR

KING'S LAIR

OVERVIEW.

Renowned for her spectacular main pool deck—complete with fold-down bulwarks that create an expansive open-air lounge—KINGS LAIR, a striking Benetti Oasis model, now joins the charter market.

Fresh accents of colour have been tastefully introduced throughout, and her experienced crew, drawn from 60 to 100-metre yachts, bring a refined level of service that sets the tone for an exceptional voyage. Every exterior level offers a space to call your own, whether you're soaking up the sun from bow to stern or enjoying serene views from the upper decks. On entering the main salon, guests are welcomed with a seamless indoor-outdoor experience.

The crescent-shaped aft doors can remain wide open for a breezy, semi-al fresco feel, or be closed at the touch of a button to enjoy the elegant lounge and formal dining area in full comfort.

This fluid layout lends the main deck the spaciousness and sophistication of a much larger yacht. The master suite, located forward on the main deck, features panoramic windows that bathe the space in natural light and frame uninterrupted sea views. A versatile port-side vanity doubles as a writing desk, while the generous en suite boasts twin sinks, a private lavatory, and a large, glass-enclosed rain shower. Ample wardrobe and cupboard storage complete the suite.

Below deck, four additional en suite cabins—two with queen beds and two twins—provide elegant accommodation for guests, each equipped with its own private bathroom and in-cabin entertainment.

The sky lounge offers a warm and inviting atmosphere, ideal for a film night or a peaceful morning coffee when the sea breeze picks up. A stylish day head is conveniently located on this level, while the aft terrace creates the perfect setting for evening drinks or relaxed socialising before dinner.

The sun deck crowns KINGS LAIR with a vibrant mix of comfort and elegance. Enjoy cocktails at the aft bar, dine al fresco beneath the sleek hardtop arch, or unwind on one of two oversized sunbeds located forward and on the bow—perfect for soaking up the sun by day, or stargazing by night.

From every angle, KINGS LAIR impresses with her versatile spaces, luxurious touches, and exceptional amenities. Once on board, guests will find little reason to return to shore.
