KING POWER

OVERVIEW.

KING POWER is the standout Sunseeker in the mid-30m class: privately run from new, never in charter, and showing less than 1,000 engine hours total since 2016. The usage profile everyone asks for and almost nobody finds. She's been kept for family use only, with a loyal, long-standing crew who have cared for her for years—so she feels settled and confident from the moment you step aboard.

Sunseeker's deep-V pedigree gives her assured performance and a dry ride, while the exterior decks and relaxed interior make days on board effortless. But it's the history that sets KING POWER apart: light private use only mileage, consistent crew stewardship, and the calm, well-kept energy of a yacht that's been enjoyed.
