

# KINTARO

---

Built by the Italian Cantieri di Pisa yard, KINTARO is one of the most popular Greek charter yachts run by an experienced, incredibly warm and welcoming crew.

The sundeck is a great highlight, with large and comfortable sun-loungers. The tables can join to make one large dining table if preferred and guests can enjoy watching the chef put on a show with his special BBQs here.

KINTARO has been well maintained and continually upgraded to maintain her reputation as a top charter yacht. Following her comprehensive refit in 2014, the enclosed dining room on the main deck forward has been transformed into a sixth cabin or a playroom. This has been a much appreciated improvement for families.

Accommodation on the lower deck includes a full beam master cabin with king size bed, two twin cabins with pullman berths in each (for children) and two double cabins. On the main deck there is one double VIP cabin. Across this flexible layout, a maximum of 12 guests can be accommodated. Overall, her interior is a good example of classic, minimalist Italian design which keeps it bright and fresh.

Guests can enjoy the use of KINTARO's swim platform with easy access to the water and there is a range of watertoys including a two seater waverunner and a SeaBob.
