KOKORO

# OVERVIEW.

**Delivered in 2020 as Moonen's project YN199, she is the second hull in the acclaimed Martinique series and the first to be offered on the brokerage market. Built to Lloyd's Register and privately owned since delivery, KOKORO combines exceptional build quality, refined interior design, and transoceanic capability.**

She features exterior design by René van der Velden Yacht Design and interior styling by Studio Indigo.

The bow rises in a rounded sheer, leading to a teak-clad foredeck framed by prominent guardrails. The main deck aft is arranged for outdoor dining, with a mix of banquette seating and fitted cabinetry to serve guests. Higher up, the upper deck provides a large guest area with tender storage and a launching crane set aft. A bold black bootstripe runs along the waterline, giving contrast to the hull.

Inside, KOKORO's main saloon is styled in soft, neutral tones with accents of sea green, mustard and deep blue. The furnishings mix comfortable settees with Giorgetti-designed Progetti armchairs, all set on patterned rugs. A feature wall finished in driftwood mosaic lends a relaxed, beach-club atmosphere.

KOKORO offers accommodation for up to 12 guests in 5 suites comprising an owners cabin, 2 VIP cabins and 2 double cabins. She is also capable of carrying up to 7 crew onboard to ensure a relaxed luxury yacht experience.

Powered by twin diesel Caterpillar (C-32) motor yacht KOKORO is capable of reaching a top speed of 16.5 knots, and comfortably cruises at 14.5 knots.

## Key features

---

**Modern and timeless design**

---

**Stabilisation at anchor and underway**

---

**Exceptional low sound and vibration levels and excellent seaworthy and seagoing behaviour**

---
