

LADY B

LADY B

OVERVIEW.

The 52m LADY B belies her length when it comes to offering space and every amenity required for the perfect yacht charter. Delivered in 2008 by the Benetti shipyard and substantially refitted in 2018, she shows off Italian design at its most spectacular.

Guests who love the al fresco lifestyle will be delighted by LADY B's multiple entertaining areas. Start the day with a coffee or fresh juice on the master suite's private balcony, before a morning workout in the dedicated gym. Reward your efforts with breakfast on the upper deck or beneath the shade of the arch on the sun deck. Both settings provide elevated views over your surroundings.

The sun deck cannot be beaten for its relaxation areas, with its abundance of loungers, sun pads and jacuzzi – the perfect spot to relax and take in the changing scenery while the captain moves LADY B to a new anchorage for lunch on the beach. Fortunately, LADY B has a superb beach set-up, including a gazebo, bean bags, a massage table and barbecue – everything you need for barefoot relaxation.

Back on board, it is time to take to the water with LADY B's watertoys. Whether you want to try the jetski, wakeboard and waterski, or even a more sedate paddle board or snorkel, the options are plentiful, and the crew are on hand to teach you everything you need to know.

After all the fun, you will be ready to retire to your room to dress for dinner - LADY B's master suite is a tranquil haven, and it is tempting to relax there for a while. On the upper deck, a VIP cabin benefits from incredible views of the passing scenery, while on the lower deck there are another three double guest cabins and a multi-purpose twin cabin. The bedrooms are all beautifully appointed, with a sense of calm that encourages slumber. Be careful not to give in to it or you could miss out on the gastronomic delights prepared by LADY B's talented chef.

Enjoy an al fresco dinner on the upper deck or, for a more formal setting, head to the dining room on the main deck before heading up to the sun deck. Here you can choose to watch movies under the stars or step things up a notch with the full array of music equipment including a karaoke and DJ system or guitars for live music sessions. Rest assured there will be plenty of time to do both during a fun-filled charter aboard LADY B.
