

LADY DEE

LADY DEE

OVERVIEW.

A pedigree Dutch built yacht with a timeless style, LADY DEE is a popular choice for those seeking a classic layout, ample deck space for socialising and an ability to hold steady in the water thanks to her stabilisers and heavy steel hull.

Offering vast deck spaces throughout, the main deck aft is the prime location for al fresco dining and socialising with no shortage of comfortable seating. The sky lounge area can be converted to an additional double cabin with a pull-down murphy bed when required. This flexible area completely opens up to the exterior deck on this level - an ideal party location! The sun deck above is the best relaxation area with surrounding sun pads and a centrally located jacuzzi. The yacht's social areas extend to the interior main deck lounge where an open seating area with 65inch TV leads through to a more formal dining area. There is plenty of space to seat 12.

The master cabin is forward on the main deck which spans the full beam and has the added benefit of a fold-down balcony to enjoy a morning coffee in complete privacy. There is a separate office, walk-in wardrobe and large bathroom with bath and rain shower. Further accommodation comprises of two twin cabins and two double cabins on the lower deck. With the sun lounge converted to a double cabin, LADY DEE can accommodate a total of 12 guests on board.

A good-sized swim platform can be set up with a small table and chairs so guests can enjoy being at the water's edge. Access to the two tenders is made easy, not to mention access to LADY DEE's two stand-up jet skis and two waverunners. A good, all-round charter yacht.
