

LADY LENA

OVERVIEW.

Only delivered in 2020, already LADY LENA is a firm charter favourite. This 52m (170.6ft) yacht offers many facilities to keep everyone entertained – including a glass-bottomed pool above a chic beach club with drop-down balconies on three sides, a full spa with sauna, hamman and treatment room, topped off with a vast party-sun deck.

Your bedroom suite décor is pure opulence, with velvet throws and gloss-wood details. The cabins are designed to be flexible and create extra bedrooms as needed. So you can take aboard a party of 12 friends and family for your charter holiday.

As the master cabin is forward on the main deck, you will walk down the side deck for a morning swim in the pool, before taking the stairs up to breakfast on the aft upper deck – with views of your anchorage around you. Chef prides himself on making every meal exceptional, from a breakfast spread to a fine-dining tasting menu so you will find an amazing spread to welcome you.

The crew aboard LADY LENA have been picked to give you an exceptional holiday. Your captain knows all the best anchorages to try out the water toys, and he will inspire you to discover all that your cruising ground has to offer. When it comes to cocktail hour, your stewardess will mix up a drink to your taste at one of the several bars aboard.

At anchor the crew get the beach club ready with the fold-down balconies in position so that you can just step from a lounge into the warm sea. The sunlight filters through the pool above to send underwater shadows across the room creating a relaxed feeling in this space – you may be tempted to just sunbathe and use the spa that is also on this deck.

The watertoys are tied to the float-in the dock. Wakeboards and waterskis sized for adults and children give you the chance to learn a new sport en famille, so take the Castoldi tender and have a go. When you want a more peaceful pursuit, the paddleboards and kayaks offer the chance to explore the coastline, visit a secluded beach and find a hidden cave. Of course, the jetskis are a lot of fun too.

By the end of the day, you will all be gathered at the bar on the top deck, with a sundowner in hand. The jacuzzi is the perfect place to let the bubbles soothe your muscles – and if you want a full massage the spa is open for treatments any time. LADY LENA has everything in place to make your charter holiday all that you've been dreaming of.

Key features
