

LADYSHIP

LADYSHIP

OVERVIEW.

LADYSHIP represents the sophisticated retro style of the 1990s, with all the modernisation available to yachts, thanks to her 2016 refit. Her distinctive lines make this 41m (135ft) yacht a head turner in any port, and her generous inside-outside spaces make her just as cool on board.

Sailing out of Tivat, Montenegro, her crew are well versed in the nooks and crannies of the Adriatic Coast – so you can relax in the knowledge that they will find you all the prettiest islands, secret beaches, and sheltered anchorages to visit.

Families love the flexibility of the accommodation aboard; six cabins provide a range of bedrooms from VIP suite for the grandparents to twin cabin for the children. Find your master suite forward on the main deck, with access to step out onto the secluded fore deck and enjoy a little time a deux.

Confirmed as a RYA water sport centre in 2020, LADYSHIP offers a raft of water sports and toys. Her transom drops down to create a huge swim platform and dock. Take the kayak and paddle boards on a trip along the rocky coastline, and perhaps you will discover caves and tiny beaches. The faster option is to take Sea-Doos. The whole family will want to join in the fun with towable inflatables!

LADYSHIP is very economical and cruises at an easy 14.5 knots. Her super-modern NAIAD stabilisers ensure that you all stay comfortable when underway, so enjoy lunch on the upper deck's large tables and banquette while the captain navigates to your next port. There's always the jacuzzi and sunbathing to enjoy after lunch on the top deck.

When the sun begins to stain the sky red and orange, find one of the two bars aboard for the yachting tradition of sundowners. The evening offers the chance to step ashore and explore the bars and restaurants - while the children are tucked up watching a movie in the main saloon snug.

This is the charter life – LADYSHIP style.

Key features

Regularly maintained

A crew with local expertise

Shaded deck dining and deck areas

Jacuzzi on the sun deck

Zero speed stabilisers to reduce any rolling motion while at anchor
