

LA LUNA

OVERVIEW.

Experience the exhilaration of surging through sparkling waves under a cloud of sail, powered purely by nature, on board a yacht that sacrifices absolutely nothing in luxury, watertoys and features. From her spectacular main deck circus lounge - a unique feature - to her swim platform, she has it all.

You awake in the full beam master cabin with sun streaming through the many portholes and settle onto the sofa to sip on a smoothie as you anticipate the day. After a quick session on the beach club's elliptical trainer, dress in the walk in wardrobe before joining the rest of the party in the main deck aft cockpit lounge, shaded by the flybridge overhang. Here fresh pastries, coffee and a selection of delicious plates are enjoyed as you talk through the day's plans with the captain.

Once dressed for action, walk through from your cabin to the beach club where the deck crew has the watertoys ready for action. After a morning full of high speed thrills and exploring underwater, you shower and make your way up to the flybridge where a lunch of grilled seafood and salads is ready for you. After lunch you can relax on the flybridge sunloungers and feel the awesome power of the wind or catch a movie in the main deck TV room, as the captain makes sail for the next destination.

With the sails furled and the anchors set, join your friends on the flybridge. As the breeze disappears and the sun heads for the horizon, toast another great day with sundowners before the greatest gastronomic show on earth begins beneath the big top of the main deck's amazing circus lounge and bar with fine dining for 10 guests.

As sleep beckons your guests retire to their cabins where they dream of what adventures are to come tomorrow.
