LAMIMA

OVERVIEW.

Discover new horizons on board the traditionally styled phinisi yacht LAMIMA, the epitome of luxury from stem to stern, from truck to keel.

She was custom built in the traditional way in Ara, Sulawesi, incorporating refinements to enhance her intrinsic strength and stability. She delivers the ultimate in comfort, elegance, and safety while maintaining the warm ambience of traditional Indonesian hospitality and retaining the elegance of the traditional vessels.

In crafting the vessel, they succeeded in combining the authenticity and charm of the Indonesian two-masted trading ship of yore with the latest concepts in yacht design and technology producing an exceptional vessel with a distinguished pedigree.

The yacht has an impressive sail wardrobe designed to catch every breeze of the archipelago, thus creating a first-class sailing vessel with all the opulence of a superyacht.
