LA PELLEGRINA 1

OVERVIEW.

LA PELLEGRINA's name translates in English to The Wanderer, which is just what you will want to do when you charter this stunning yacht. Her sleek lines turn heads at every port, and her interior décor is just as gorgeous. Cruising economically at 22 knots, her impressive performance follows suit.

At 50m (164.1ft) LA PELLEGRINA takes a party of 12 guests in six cabins. Your master suite is in prime position on the upper deck, rear-facing over a private aft deck. This airy space with modern marble flooring, typifies the contemporary décor throughout – and you may want to just hide out here for a little me-time.

Step down to breakfast under the shady awning on the aft main deck. Ten crew, all with Silver Star training, are on hand during your charter – and chef is ready to get your day started right, whether that is Eggs Florentine, freshly-squeezed fruit juice or piles of fluffy pancakes.

The exterior decks on this yacht offer exceptional outside space, so you will not feel crowded. The guest cabins will give your party an amazing charter – there's a VIP suite on the forward main deck with 180-degree views forward and further cabins on the lower deck. All filled with natural light and the same modern décor.

When underway, take the opportunity to join Captain Luca Mencacci on the bridge. From the leather-clad dash and wheel to the driving seats in the same finish, this Instagrammable space is the control centre of the yacht so go to see how it all works – and even take a turn at helm under Luca's supervision.

At anchor the transom drops down to reveal the beach club and all the watertoys. Maybe take a spin on a Sea-Doo or SeaBob. The Novurania Equator EQR 600 comes out to take a party ashore to explore the shops and cafes.

Sun worshippers will want to head to the top deck for the sunloungers and jacuzzi. Up here a central table next to the wet bar becomes the social hub to congregate over lunch. On the foredeck another table and banquette seating make a cosy nook to read or write.

The main saloon itself is a showpiece of modern design; featuring white, chrome and blonde wood combined with low level furniture to create an open plan space. The relaxed dining table here has witnessed many a legendary dinner party.

With all that LA PELLEGRINA offers you'll be excused for wishing your charter would never end and you could just keep on wandering...
