# APERÇU.

The 143'1 / 43.6m Vision 145' motor yacht 'Latiko' was built in 2014 by Benetti. The yacht's interior has been designed by Zuretti and her exterior styling is by Stefano Righini.

With abundant deck space and exceptional volume, LATIKO will not fail to delight you. Distinctly Italian, Latiko boasts light flooded interiors and sprawling decks. She accommodates 11 guests in five staterooms and offers guests the chance to unwind and explore the glamour the Mediterranean has to offer from her luxurious comfort. Altogether she is the embodiment of what a 44m charter yacht should offer, including a young enthusiastic team trained to exceed your expectations.

Built with GRP hull and GRP superstructure. She features an ultra-modern stabilization system to reduce roll motion effect and ensure the ultimate comfort throughout your charter vacation. With a cruising speed of 13 knots, a maximum speed of 15 knots and a range of 3,500nm from her 60,000 litre fuel tanks, she is the perfect combination of performance and luxury.
