

LATITUDE

OVERVIEW.

Celebrate the South Pacific on board an explorer yacht that completed a two-year total refurbishment in June 2020, one that's packed with brand new fitness equipment, sports kit, watertoys and devoted to outdoor activities. With more deck space than yachts twice the size, LATITUDE is a yacht for those that love the great outdoors and being immersed in nature.

The day starts either with peaceful meditation on the private starboard bridge deck, a workout in the open air gym on the port bridge deck, yoga on the two tier sun deck or a high paced aerobic session on the huge tender deck. The crew includes a masseuse and a yoga/fitness instructor so you can soothe away all the tension or feel the burn with a tailored fitness plan.

Then everyone gets together for breakfast in the Great Room on the forecastle deck where there will be exotic smoothies on offer at the sit up bar, indulgent pastries at the dining table or whatever you would prefer, courtesy of the talented chef, as you plan the day's action with Captain Sam.

In the morning your choices are limitless. Explore the shore by kayak or stand up paddleboard, take an underwater safari with the deck crew making sure you don't miss a thing. Unleash the adrenaline on waverunners or by jetski, maybe sit back and enjoy the thrills on waterskis, wakeboards or on one of the many tow toys behind the 8.2m tender powered by 450hp outboards.

After the salt has been showered off, enjoy a sumptuous lunch of exquisitely prepared fresh local produce al fresco on the forecastle deck aft before spending a lazy afternoon with a book on the sun loungers around the huge, welcoming jacuzzi pool as Captain Sam takes you to your next location. If you want to turn it up a little, head for the sauna and steam clean the pores.

With the anchor dropped it's time for a spot of fishing using the huge range of fishing kit on offer from the on board fishing locker. After sundowner cocktails, a gastronomic extravaganza is served at the dining table in the Great Room - there's a beach BBQ planned for tomorrow - you can settle into the sofas for a movie night or dance into the new day on the tender deck.

When it's time for bed the master suite is up on the bridge deck with a private sitting room and a terrace overlooking the jacuzzi on the forecastle deck. The main deck is home to three double cabins and two convertible cabins, restfully decorated, completing adaptable accommodation for 12 guests.
