LAUREN L

# APERÇU.

**At 90m (295.3ft), with the space, luxury and crew to cater for 36 guests, LAUREN L is one of the largest charter yachts available. She offers four dedicated guest decks for you and your party. Whether you choose a gentle massage, a warming sauna or steam room session, a cardio work out or training in the gym before breakfast, the crew of LAUREN L will be on hand to serve you. Breakfast can be taken on the aft of deck four, its al fresco dining area is surrounded by glass balustrades so you and your guests are sheltered from any morning breeze.**

After breakfast the younger kids can hit the soft playroom, while the grown-ups can be pampered in the beauty salon, facial room, aromatherapy suite or just relax on one of LAUREN L's many sun lounge areas or outside lounge areas. If this is a work trip, there is a fully served conference suite with a large oval table and leather seats, there is also a library for informal presentations – if it hasn't been requisitioned by the children for its alternative use; a cinema room.

Lunch could be taken on a private beach for up to 40 guests which will be fully equipped with umbrellas, sunbathing mattresses, tables and directors chairs, sports equipment and beach toys.

The afternoon can be spent trying the wide selection of watersports toys on board. If you've fancied flying 10m over the water on a waterjet powered flyboard, hoverboard or jetpack, LAUREN L has all these and more. Should you rather fly across to the water, there are six PWC and a Jetsurf (a jet-propelled surfboard) to choose from. If that sounds too thrilling there are a selection of high-speed towable toys or sports fishing available. If you're after a slower pace of life or want to spend more time with the kids there are SUPs, an inflatable slide, kayaks and even a 7m inflatable climbing wall. There is kitesurfing, waterskis and wakeboards on hand. If you'd rather spend time underwater there are four SeaBobs, diving and snorkelling equipment too.

As the evening approaches, the private and formal dining areas are readied for the culinary delights the chef and their team have been busily preparing. Pre-dinner drinks can be enjoyed on deck four before moving down to deck three to dine. After a sumptuous dinner and unforgettable desserts, you can make your way to deck 6 to enjoy the warm evening at the alfresco bar and lounge areas before retiring to your immaculately turned down suite.
