

LEL

LEL

# OVERVIEW.

**Stand out from the crown on LEL, a spectacular modern superyacht with a lavish contemporary interior and an unforgettable beach club area. Each of LEL's decks sports fantastic al fresco spaces, allowing you and your guests to make the most of fine weather and beautiful surroundings. LEL also offers breathtaking views from inside, while many of her innovative 'transitional' areas blur the inside/outside feel onboard.**

A walk along any deck will leave you at a loss for choice of where is best to spend your time. There's the wonderful lower beach club area, the fold-down transom and hull doors expand this space to plentiful proportions. Relax on sea terraces above the water or in the lounge area inside. Above, is the stunning mezzanine al fresco lounge area, you can relax here with cocktails or coffee and enjoy canapes or snacks.

The upper deck has another al fresco lounge area with a dining area ahead. Here, you'll enjoy the creations from LEL's resident chef. With a menu befitting of such a yacht you'll delight in the fine dining experience, you can dine through the night thanks to retractable glass walls that can be drawn to enclose this area. It doesn't stop there. On LEL's foredeck, there is a pool that is flanked by sumptuous sunpads and has dinette seating at the rear. Finally, there is the magnificent sun deck. Here there's a raised forward jacuzzi, an exclusive bar area, an al fresco lounge area and a selection of sun loungers to sun-worship from.

Inside LEL is a feast for the eyes too, not only is her Luca Dini-designed interior simply stunning, but thanks to huge picture windows, all the communal guest spaces benefit from far-reaching panoramic views. You can relax in the cinema lounge, located on the upper deck – the dining area can be partitioned from this lounge space. In the main saloon, there's a harmonious lounge as welcoming at night as it is in the day, as is the formal dining area ahead of it.

LEL and her ever-professional crew will ensure you and your guests enjoy six luxurious suites on board. The master suite is a fabulous space, made even better by the private balcony that can be enlarged with the fold-down section. This magnificent suite benefits from a spacious marble-lined en suite bathroom with a freestanding bath. The guest suites are on the lower deck and consist of two luxurious half-beam double VIP suites, a double cabin and a twin-berth cabin.
