

LEMON TREE

LEMON TREE

APERÇU.

Alighting LEMON TREE's splendid limousine tender, you'll be drawn to the sumptuous beach club beneath the glass-bottom main deck swimming pool. Sea terraces on both sides allow you to take in an unobstructed view of your surroundings as you relax, with light dancing through the pool above and a warm breeze flowing through the bar and gym area. You've arrived, time to enjoy your time on board the magnificent LEMON TREE.

The lavish beach club is one of many generous social hubs and versatile spaces on LEMON TREE. Here you can dine, relax, exercise, and enjoy all manner of water sports and activities. LEMON TREE has Seadoos and SeaBobs, jet boards, fly boards and wakeboards. You can snorkel, SUP and slide as much as you and your guests wish – there is no end to the activities available and her proficient and professional crew are always on hand to help you and your guest get the absolute most from your activities of choice.

Should you fancy a change from water sports off the boat, LEMON TREE has two pools to enjoy on board: one on the main deck flanked by plush sunpads, and the other is on the palatial master suite's private foredeck terrace.

Those wanting to relax can choose from the yacht's hammam, or massage room, or retreat to one of the yacht's many quiet areas for mindfulness and meditation. Throughout the yacht, you'll discover a modern, neutral-toned interior reminiscent of a chic New York apartment. Inviting areas allow you to unwind in a serene and hassle-free environment. Whether you're watching a movie in the sky lounge, savouring post-dinner drinks in the main saloon, indulging in a banquet at the magnificent 12-seat dining table, or simply relaxing in your suite, the interior styled by Francesco Paszkowski and Margherita Casprini will undoubtedly become a talking point of your charter.

With seven generously sized suites for 12 guests, LEMON TREE has a versatile cabin arrangement for your party. There is an own-deck master suite, two double VIP suites, and four twin/double convertible cabins – one of which can be used as a children's playroom, nursery or massage treatment room depending on your needs. The master suite looks out through 180-degree panoramic floor-to-ceiling windows over your private poolside terrace and the expansive flush foredeck. The upper aft deck is the perfect spot for al fresco dining for you and guests to enjoy the fine cuisine created by LEMON TREE's chef.
