LE VERSEAU

# APERÇU.

**A majestic 40m (131ft) tri-deck yacht from the Princess shipyard with a distinctive light blue and white livery, LE VERSEAU is notably spacious and opulent. Designed to host up to 12 guests on board, her key features include a splendid sundeck, two fold-out balcony terraces, high-spec watersports toys and a sophisticated, elegant and unique interior style.**

Up on the sundeck there's plenty of space for your whole group of guests to hang out together and relax or celebrate – whatever suits your mood. There's a jacuzzi up forward with sunpads, a bar and three sofas beneath a retractable roof, then more sunbeds and classic teak sun loungers astern. Glass windbreaks cut the breeze while preserving the panoramic views.

The upper aft deck is mainly dedicated to outdoor dining with a large table in ample shade, a chic cocktail lounge area and an elegant but invitingly casual vibe. The outside deck flows straight into the upper saloon, which is a smart, cosy living room with a 75in TV and entertainment system that delivers the full home cinema experience on board.

The main deck saloon, meanwhile, is a large and exquisitely detailed, open plan space with a 12-seat formal dining table, a lounge that's large enough for entertaining, and floor-to-ceiling glass on both sides that slides wide open to open up the saloon and give unfettered access to the fold-out balcony terraces, creating a superb inside-outside space where the sea breeze can flow through. With this arrangement there's usually one balcony in full sun and another in shade – and at sunset you're guaranteed an unobstructed view.

The master suite is impressively opulent. A private study with comfortable armchairs leads into the full-beam cabin which has a sofa, a desk, two walk-in wardrobes and big windows on both sides. The en suite bathroom is beautifully finished in marble and high-gloss mahogany. The luxury experience is mirrored on the lower deck, where the guest cabins include two full-beam VIP doubles and a couple of twins with extra pullman berths.

She is well equipped for watersports with a 6m TurboJet RIB to pull you around on water skis, a wakeboard or one of her inflatable tows. With two high-spec jet skis, three SeaBobs, kayaks, paddleboards and more, there's plenty of aquatic fun for guests of all ages and abilities – and you'll be in safe hands with RYA instructors among the crew.
