LIBERTY

# OVERVIEW.

Start living the superyacht lifestyle as soon as you embark aboard the 50m (164ft) LIBERTY. Built by Italian shipyard ISA Yachts, she features a light and modern interior while her spacious exterior areas include a large sun deck and shaded aft decks.

Depending on the size of your charter party, LIBERTY's versatile deck areas have plenty of lounging areas for both large social gatherings, and smaller, more intimate occasions. Whether relaxing in the main deck saloon or sky lounge, or dining formally, her interior guest spaces are contemporary and welcoming. However, the al fresco deck areas are really the standout spaces on this yacht. Start the day with breakfast on the upper deck aft before heading up to the sun deck. Here you can sit back and relax on her various loungers and sun pads, or, for the best view of your surroundings, head to the sun lounging area forward of the bridge.

Active guests on board can enjoy the swim platform, perfect for diving or launching watertoys and tenders. From Sea-Doo jetskis and waverunners to SeaBobs, kneeboards, diving equipment and various towable toys, there is something for everyone. As an approved RYA training centre for personal watercraft, the yacht's friendly crew are always on hand to help guide you through the endless possibilities for fun.

When the sun gets too hot, take refuge beneath the shade of the satcom arch on the sun deck. Set up to provide an al fresco dining experience with a view, enjoy a leisurely lunch followed by more relaxation and a chance to digest before jumping into the water for a refreshing dip.

Once the sun goes down, her guest areas allow for all manner of occasions. Meet your fellow guests up on the sun deck with an aperitif at the sit-up bar. Once you are ready for dinner, choose to dine al fresco on the sun deck, or for a more formal occasion, head to the dining saloon. Follow dinner with an evening of music and dancing into the early hours.

When the evening comes to an end LIBERTY's guest accommodation will also not disappoint. Her six luxurious cabins, each with a different ocean theme, welcome 12 guests, including a full beam master suite on the main deck. There is also a VIP on the bridge deck and four further guest cabins on the lower deck, comprising two doubles and two twins, providing the perfect retreat after a full day of activities and fun.
