

LIQUID SKY

LIQUID SKY

APERÇU.

Planning a celebration? LIQUID SKY is the yacht charter for you. She has acres of deck space, sophisticated lighting, integrated SONOS sound system, in-and-outside bars, swimming pool, sleek décor and an abundance of watertoys. That's all before you find the luxe suites for your friends and family.

Wake up in the linen sheets of your king sized bed feeling truly at peace. Tall windows on both sides of your main deck cabin reveal glimpses of the waves glistening through the shutters. When you are ready, your feet sink into the velvet carpets as you pad to your private dressing room en suite to find something chic and simple to slip on for breakfast.

On the upper aft deck you will find an al fresco table and an informal breakfast. With space to sit all 12 of you, the conversation soon turns to the events of the day. The underwater SeaBobs with built-in cameras sound great fun, as do the jetskis. LIQUID SKY certified as an RYA watersports centre so you know that you are in safe hands.

Those who prefer to stay dry this morning may take themselves to the gym, where a spin bike, free weights and Technogym are ready to put you through your paces. Finish off with a full body massage with the on board therapist to soothe those muscles into supple relaxation – you deserve it.

On the top deck the chef is grilling seafood for a lunch with a view. A long table in the shade of the hardtop is the perfect spot to pause and eat. The children want to jump straight into the pool after lunch and it is just a few metres away so you can easily keep an eye on them.

Tonight your quayside party is the talk of the town as the captain and crew manoeuvre the yacht into position. Aboard LIQUID SKY you can host up to 120 guests on the upper three decks for the event of the season. The nine permanent crew have it all in hand as the extra staff come aboard, now it's just for you to put on your finery.

Invited by lights and music your guests step aboard to cocktails and bubbles, and a warm breeze rustling off the sea. The yachts' three bars are in full swing, and the kitchen sends out platters of delightful amuse bouche. The children have set up camp in the cinema room to avoid going to bed - you know that they are having the time of their lives, and so are you. Welcome to cruising, LIQUID SKY-style.
