LOEWE

OVERVIEW.

LOEWE is one of the newest deliveries from the Tankoa shipyard. Delivered in 2025 and designed inside and out by Luca Dini, she belongs to the T55 Sportiva series, a new semi-custom model from the Italian yard with sporty lines and decks that draw life towards the water. At 499GT, LOEWE sits among the largest yachts in her category, with an expansive aft deck that gives her the waterfront real estate of a much larger build. With award winning design, low engine hours and remaining shipyard warranty, LOEWE offers near-new ownership in one of the most sought-after size categories on the market.
