LOON

APERÇU.

LOON is a 68m Dutch-built yacht with proven seaworthiness. With clean exterior lines from the design board of Redman Whiteley Dixon (RWD), LOON's performance blends seamlessly with her groundbreaking beach club design to affirm her position as one of the best yachts in her size region.

With her high-volume of 1,295 GT, LOON's Studio Linse-designed interior combines contemporary furnishings, providing a peaceful ambiance with an inviting environment for relaxed ocean living. A powerful looking yacht that is properly equipped for extensive world cruising, LOON has a range of 6,000nm with zero speed stabilizers that ensure a comfortable journey, regardless of the sea state. Her steel hull and aluminum superstructure provide a solid foundation for her high-caliber Dutch construction.

Accommodations aboard LOON include a generous seven stateroom layout with an exceptional salon and outside deck spaces. She has an on-deck master suite and her lower deck guest accommodations have direct access to the remarkable beach club featuring a well-equipped gym, a massage room and sauna as well as a beach-level saloon, all aft and opening to the sea.

With a glass-bottomed swimming pool on the main deck aft, few yachts boast such a large pool, and fewer still with the style of LOON. All of this combined with massive outdoor spaces, a separate and forward-facing salon plus two additional salons make for an exceptional offering.

Principales caractéristiques

Recently completed her 15-year survey

Easy access to outstanding beach club

Aft deck swimming pool

Impressive range of 6,000 nautical miles

Accommodates 14 guests in seven staterooms

Hot tub on the bridge deck
