

# LUCKY LADY

# OVERVIEW.

LUCKY LADY is the ideal yacht for those who like to entertain and be entertained. From her enormous sun deck with its large waterfall jacuzzi, bar and dining area to her capacious interior lounges and the wide array water toys, a charter on board feels like an nonstop winning streak.

Wake to panoramic views of a scenic new anchorage through the vast windows of the master suite; located in a prime elevated spot at the front of the yacht, it feels like a secluded sanctuary of calm. Make your way out onto your private upper deck sofa for a peaceful early-morning coffee as the sun rises over the horizon, before getting ready for the day in the his and hers bathrooms divided by a substantial dressing room.

Breakfast is served on the upper deck aft, which is sheltered from the elements by flanking glass panels that allow the full splendour of the inspiring scenery to shine through, then move into the sky lounge to plan your day's activities with the captain.

LUCKY LADY has an enviable collection of water toys that will keep even the most active of guests engaged. From jetskiing, wakeboarding and towable inflatable rides to the more sedate kayaks and stand up paddleboards, there is something for everyone. Go on a guided sea safari with the snorkels and SeaBobs, or take the yacht's ultra-powerful Midnight Express tender out for a fishing expedition.

A delicious lunch is served on the vast sun deck, followed by some R&R on the various sun pads, sofas and sunloungers, or take a dip in the waterfall jacuzzi to cool off. To get an afternoon workout in, with stunning views off the stern of the yacht, descend to the lower deck's gym. A beach Olympics has been set up by the deck crew ashore to entertain the children, followed by a themed party with mocktails and burgers from the BBQ for an early dinner, followed by a movie night in the sky lounge.

Solo sundowners on your private deck are a magical experience, or ascend to the sun deck, with its elevated, C-shaped sofa and large bar, where the crew mix bespoke cocktails to go with delicious canapes. A tasting menu with wine pairings is served in the comfort of the main deck's formal dining area, which has huge windows for great views of the bay as the last of the daylight fades. Complete your whirlwind day on board with a nightcap in the main deck lounge, with its bar facing an impressive wine wall rack, and try your luck with a game of blackjack at the card table.
