LUISA

# OVERVIEW.

**Fresh from her 2021 refit, LUISA offers you the unique opportunity to relax in an elegant interior designed by Ivana Porfiri. LUISA is your floating 5-star floating boutique hotel for you and your guests. Her stunning interior is dominated by warm sumptuous earthy tones of polished stone and satin-finished wood. The focal point is the stone-walled stairwell and spiral staircase that gives access to three decks.**

The owner's suite is on the main deck, the forward-facing island bed appears to float without support. Either side, large elliptical-shaped windows allow you to enjoy your surroundings, while forward, is a large en suite heads, with multi-nozzle shower, and a separate dressing room, further aft in the suite is the relaxing office space with views out over the ocean to calm or inspire you if you need to work. On the lower deck, there are two large double VIP suites and two twin cabins all accessed from the spectacular lower lobby. With the two double cabins and twin cabins closely located it makes LUISA particularly attractive to groups of guests with families and children.

In LUISA's main saloon and sky lounge, above it, there are floor to ceiling picture windows so while you may feel you're in one of the world's best hotels the views out will remind you why you chartered this luxury yacht. There is a formal dining area to the rear of the saloon on the main deck and an al fresco formal dining area on the upper deck.

While the interior is wonderfully calming, outside is where the fun begins. LUISA's jacuzzi is on the main deck and has many al fresco lounge areas with relaxed seating and sunpads. Then, of course, there are the toys, of which there are many. There are powered toys like the tender, PWC, efoil Waydoo Flyer, a SeaBob, four Yamaha Seascoters or the Jetsurf. Towed toys such as donuts, an inflatable sofa, wakeboards and water skis or relaxing toys for snorkelling, on a SUP, or relaxing on the water on the inflatable beach or in the Aquaglide inflatable Malibu lounge.

After all that fun on the water, what better place to relax than in the beach club area with a spell in the hammam or sauna before the evening dinner watching the sun set.

## Key features

---

**Regularly maintained**

---

**Flexible cabin configurations**

---

**Spa facilities: sauna, hammam, massage room**

---

**Exercise equipment**

---
