

LUNASEA

LUNASEA

APERÇU.

LUNASEA is a yacht of quite flawless pedigree. Designed inside and out by RWD to excel as a family yacht, she is an absolute gem for a truly extraordinary charter. Built by Feadship and launched in 2017, her exceptional quality was instantly recognised as award winning at the 2018 World Superyacht Awards.

The yacht offers extremely well-thought-out areas for each generation of the family to enjoy, from the oversized infinity pool on the main deck, or the vast sun deck with flowing indoor-outdoor bar and jacuzzi, to the dedicated spa treatment room. On board LUNASEA, one can enjoy a sense of calm and relaxation or fun and entertainment throughout the guest areas.

At 73m (239.5ft) with a beam of 11.9m (39ft), she has huge amounts of inside and outside space across her five decks. The interior showcases a bright and luxurious beach chic design reminiscent of Riviera lifestyle. Outside, a fold down TV on the main deck aft makes this area a family focus and with a BBQ on the bridge deck and a Teppanyaki grill on the sun deck, al fresco dining is all part of the picture.

One of her stand out features is the beach club on the lower deck, reached via a beautiful spiral staircase or by the elevator serving lower to bridge decks, making her wheelchair friendly. To port is a fully equipped gym with fold out sea terrace where guests can work out while enjoying sea views. To starboard is the beach club, also with a sea terrace, where guests can watch the sunset or the family play while enjoying a drink from the bar in the centre.

Also on the lower deck is the beautiful wellness spa complete with a massage room, hairdressing salon and shower where guests can unwind and let the cares of the day ease away.

A 9m Vikal limo tender, two sports tenders plus a RIB will make exploring and watersports a real highlight of your charter. Jetskis, SeaBobs, waterslide and waterskis are also part of the exceptional amenities on board. The design vision behind LUNASEA has created an impeccable yacht with impressive volume and relaxed indoor-outdoor living spaces to deliver the most exceptional charter experience.
