MAKE BIG HAPPEN

# OVERVIEW.

Named aptly, MAKE BIG HAPPEN provides an extraordinary amount of living space for a yacht of its size. Crafted by the renowned designer Evan K Marshall, its contemporary interior is stunning, offering a delightful and supremely comfortable environment both inside and out.

Notable features include a spacious skylounge perfect for elegant entertaining, and an exceptional beach club equipped with a Peloton bike. Guests can also relax in the expansive open-air lounge on the foredeck, enjoying breathtaking views and refreshing breezes from day beds and sofas.

The main deck lounge is a chic and welcoming space, featuring separate lounge and dining areas for eight people, a barista bar, and a retractable TV. Nearly fully glazed on three sides, it seamlessly connects to the surrounding seascape, flowing into the main deck aft - a sociable outdoor living space with ample seating, shade, and its own TV and bar.

The luxurious main deck master suite boasts amenities like a study desk, cozy seating, a bathtub, and a separate shower within its marble-clad en suite bathroom. Expansive glass windows on both sides offer stunning sea views from the king-size double bed.

Flexible guest accommodation includes two cabins that can convert from doubles to twins, alongside an additional twin-bed cabin. This adaptability ensures suitability for various charter settings, from family vacations to intimate getaways or gatherings with friends.

Moving up to the bridge deck reveals another outdoor lounge area, providing a perfect blend of sun and shade with sofas, sun pads, and a jacuzzi boasting incredible sea views. With the skylounge's sliding glass doors wide open, the entire upper deck transforms into a vast indoor-outdoor space, complete with separate seating areas, a barbecue grill, and a fully equipped bar.

In addition to its well-appointed amenities, MAKE BIG HAPPEN is set for watersports adventures, featuring a RIB tender for waterskiing and beach trips, an inflatable island with armchairs, paddleboards, snorkeling and fishing gear, an underwater scooter, and even a hammock - ensuring endless enjoyment on the water.
