MALIA

OVERVIEW.

If you're searching for an exceptional-looking yacht with unparalleled presence and interior styling that few yachts can rival, MALIA is the perfect choice for your next charter. It's a yacht that truly possesses a wow factor both inside and out.

Her interior is furnished with luxurious materials, featuring over 250 different finishes, exotic woods, and precious stones, all crafted to perfection. From the sculptural illuminated waves overhead in the main and upper saloons to the chandeliers that cascade through the decks, entwined by the spiral staircase, every inch of MALIA is designed to impress.

Given the yacht's emphasis on styling and visual impact, you can be assured that the guest spaces have been meticulously planned to offer you the very best onboard experiences. From the poolside on the main deck to the sumptuous sun deck with a bar, al fresco lounge area, and jacuzzi, and not to forget the full-beam beach house on the lower deck that opens out onto the vast swim platform. On both sides, fold-down sea terraces extend this area, allowing for sea-level views and a warm breeze to pass through this magnificent space. It's furnished with sofa seating, a wet bar, and ample deck space for sun loungers and relaxation. Hidden from view are the hammam, sauna, and massage suite.

It's from here that you'll embark to on-, under-, or overwater water activities. Choosing how to spend your time will be a delightful challenge, given the array of options, including towables, waterparks, wakeboards, Sea-Doos, SeaBobs, and SUPs, as well as Fliteboards, electric surfboards, and pedalboards. Regardless of age, you're guaranteed to have an unforgettable on-the-water experience aboard MALIA.

The joy continues at meal times, promising a fine dining experience you'll never forget. The cuisine matches the opulence of the surroundings. Whether you're dining at the upper deck's al fresco dining area or the formal dining area on the main deck, the MALIA experience will leave you astounded.

When the time comes to bid goodnight, you can retire to your full-beam master suite, secure in the knowledge that your guests will be equally enthralled by their own suites. There are six double suites and two twin-berth cabins. In the morning, you can draw back the curtains of your picture windows and be greeted by the breathtaking surroundings. But then comes the decision: where will you enjoy your breakfast on this magnificent yacht?
