---

# OVERVIEW.

MARY-JEAN II ticks all the charter boxes, from her generous guest suites and vast, open decks to her sumptuous, modern decor and spectacular sun deck with jacuzzi. Add her stabilisers for comfort and large toy inventory for fun, and you have a winning combination for a no-holds-barred charter experience.

When you start the day in MARY-JEAN's glorious master suite, great things are sure to follow. The crowning glory of her accommodation, it combines an array of luxurious textures with modern artwork to give a relaxed yet polished feel. Catch the morning's headlines while working out in the lower deck's gym, or head straight to the upper deck aft for breakfast. Join the group at the large table outside to make plans for the day or enjoy some quiet time in the privacy of the sky lounge.

MARY-JEAN II exudes the air of a fashionable Malibu beach house, with warm woods and modern art complemented by clean-lined neutral furnishings. It can be whatever you want it to be, from a calm, low-key retreat to a fun, festive hub for a celebration.

What better way to spend the morning than out on the water? With the expansive swim platform as a base, go for a spin on the jetskis, waterskis and wakeboards, while the rest of the group watches on from the comfort of the main deck's sofas, Bellinis in hand.

With your appetite well earned, lunchtime brings a mouth-watering selection of fresh regional foods, served on the sun deck. After, a little R&R on the sunloungers, oversized sofas and sheltered sun pads is irresistible, followed by a refreshing dip in the jacuzzi while sampling the crew's mixology repertoire. Then head to the sky lounge for a film screening on the widescreen projector, as there are plenty of movie choices on the yacht's entertainment system.

MARY-JEAN II has generous accommodation for up to 12 in five double suites and two twin cabins. The master suite's capacious dressing room and bathroom are a highlight, while the upper deck's VIP suite befits a second principal couple. The remaining suites are all well-appointed and the yacht's stabilisers ensure comfort both night and day.

As the sun drifts over the horizon, the main deck aft offers panoramic views for a romantic evening cocktail, and a gourmet dinner for 12 is served in the lounge. Then head to the upper deck aft, with its cool lighting giving the feeling of a nightclub's VIP area, allowing you to dance the night away under the stars.
