

MAVERICK

MAVERICK

OVERVIEW.

The 39.8m (130.5ft) MAVERICK is a triple-award-winning superyacht with so much space on board, 479 GT to be precise, that choosing MAVERICK is more like chartering a 50m (164ft) yacht. This is a remarkably spacious yacht with a fantastic crew whose only wish is to make your day unforgettable.

You awake in the chic surroundings of the full-beam main deck master suite, draw back the drapes and let the sun pour in through huge picture windows. Freshen up in his-and-hers en suites, check a few emails in your private office then head up to the sun deck where a wonderful breakfast of smoothies, freshly baked pastries and whatever you would like awaits you and your guests.

After chatting through the day's plans with the captain, the crew has set up the huge array of watertoys for a morning of thrills and spills. There are SeaBobs, Sea-Doos, an inflatable slide from the bridge deck to the sea, snorkelling, diving and fishing gear, not to mention any number of tow toys to enjoy behind seasonal chase tenders: a 12.2m (40ft) Fjord tender with 1,200hp of outboard power in summer, and for winter a 13.1m (43ft) Pirelli with 900hp outboards. And, as the yacht is an RYA-certified training centre, the crew can show you how to get the best out of all of the toys.

With a fabulous lunch ready on the sun deck, it's time to refuel with drinks from the bar. After the crew has packed up the toys, the captain guides the yacht to the next fantastic anchorage. You may not notice however as the yacht has stabilisers underway and at anchor as well as super-smooth, ultra-quiet engines.

As the amazing scenery glides by, will you soak in the sun deck jacuzzi, watch a movie in the air-conditioned cool of the main lounge or feel the wind in your hair in the lounge forward of the bridge? Whatever you do, in no time you'll be admiring your new surroundings and stepping into the tender to explore ashore.

When you get back, there's just time for a sundowner on the sun deck before a sumptuous dinner is served on the open-air dining table on the upper deck aft with drinks from the sky lounge bar. The wine, laughs and conversation flow deep into the night and before you know it everyone heads to their cabin to dream of what lies ahead.

Whether it's winter in the Caribbean and Bahamas or summer in the Mediterranean, MAVERICK is all you need to have the best time doing amazing things together.

Key features

Triple-award-winning superyacht

Swim platform with beach club set-up

Outdoor cinema screen for up to 11 guests on the sun deck

Shaded deck dining and deck areas

Jacuzzi on the sun deck

Established charter yacht with long history of successful charters
