

MEIRA

MEIRA

OVERVIEW.

If you are looking to combine the romance of sail with superyacht luxury, then the 50m (164ft) MEIRA is everything a discerning charterer could wish for. Built by Neta Marine with interior design by Evan K. Marshall, this 2018 launch is highly impressive from bow to stern. Designed along similar lines to a Turkish gulet, MEIRA is perfectly suited to cruising the coastlines of the Eastern Mediterranean and has vast deck spaces which offer the guests every opportunity to see the incredible sights these cruising grounds have to offer.

Begin your day with a yoga session or workout on the sun deck, before taking breakfast with a view from one of her two large alfresco dining areas. Step out onto one of her large aft deck areas and you will find a choice of sunloungers and sun pads, along with plentiful relaxation areas in the shade. Alternatively, take a turn on the watertoys while the waters are calm and flat. MEIRA's toy list is extensive and includes everything from snorkelling and fishing equipment to jetskis, wakeboards and paddleboards. She also carries two tenders on board to take guests to explore the local surroundings, while her inflatable toys, including a waterslide, will provide hours of fun for all the family.

Back on board, raise the sails and cruise to a sheltered anchorage for lunch and an afternoon of relaxation. Enjoy a sumptuous Mediterranean feast created by MEIRA's Turkish chef using the freshest ingredients, followed by an afternoon's lounging on one of the four exterior areas found on board. The sun deck is the place to head for a dip in the jacuzzi, while some guests might join you at the sit-up bar. Others might prefer to relax on the vast sun pads on the main deck aft, or lounge on the upper deck. Later in the day, try out the hammam or have a treatment in the dedicated massage room before spending some time preparing for the night ahead in the magnificent full beam master suite located on the main deck.

As the sun begins to set, head up to the welcoming sky lounge for a pre-dinner cocktail and join your guests for a BBQ, to be enjoyed on the main deck aft where the large dining table can be set up for a change of scene. Wherever you prefer to spend time on board dining, relaxing and entertaining, rest assured that MEIRA provides the ultimate setting for a stunning Mediterranean yacht charter.

Key features

Spa facilities: sauna, massage room

Exercise equipment

Two triple cabins

Jacuzzi on the flybridge

Zero speed stabilisers to reduce any rolling motion while at anchor
