

METSUYAN IV

METSUYAN IV

OVERVIEW.

Having undertaken recent new upgrades, METSUYAN IV is an elegant, luxurious yacht perfect for the holiday of a lifetime. Delivered in Italy in 2006 by CBI Navi this superyacht is stylish and charming, with an exterior designed by Ginton Naval Architecture and an invitingly warm interior designed by Ken Freivokh. This beautiful yacht and her exceptional crew combine for an unforgettable charter experience.

Guests have a practically endless choice of entertainment, and the yacht is an RYA approved watersports training centre. She has a selection of toys and tenders that will bring out everyone's inner child - especially the water trampoline. The very friendly crew can organise land-based excursions and can even give olive oil and grappa tastings on board. A delicious afternoon tea - said to rival that of The Ritz - ensures you have plenty of energy for water-based fun. Guests can relax in the jacuzzi and enjoy the incredible views available in Croatia from one of the many spacious decks. Finish the night at the 3D cinema on the sun deck.

Inside, dark cherry wood and neutral furnishings feel warm and welcoming. METSUYAN IV's layout is spacious, and zero speed stabilisers ensure comfort at all times. She sleeps 10 guests, with each cabin boasting a marble bathroom, the most luxurious bedding and individual device docking stations. The full-beam master suite is on the main deck forward, and the other two forward cabins have an interconnecting door, which is useful for families.

The combination of flawless design, endless on-board fun and a dedicated, award-winning crew make METSUYAN IV an ideal charter option.
