MIOUCH

APERÇU.

MIOUCH features a custom layout designed for entertaining with family & friends. Each deck offers a unique experience with large areas to relax, dine and enjoy time together. The main deck aft has multiple levels surrounding the focal point being the infinity pool: dining, a full bar, deck furniture and sliding doors that fold away connecting the interior main salon to the exterior decks. The upper bridge deck features a spacious sky lounge complete with TV/movie area, interior dining table and full bar - sliding doors fold away and connects you to an absolutely massive exterior deck with lounge chairs & the highlight of the deck being the custom pool with swim-up bar. A deck this large is seldom found on 45-50m yachts much less a 40m so a truly unique feature. And finally we have the sundeck with extended hard top, custom dining for up to 14-20 guests, and forward-facing bar area great for enjoying the view when underway or at anchor.

MIOUCH sleeps 14 guests in 7 cabins plus features crew accommodations for up to 7-8 with the captain's cabin located on the upper deck with direct access to the bridge. Unique to this specific 40MXP is that MIOUCH features two massive pools. Centerline on the main deck aft is the infinity pool that defines the 40MXP and then on the upper deck the owner chose to remove the davit and install a massive custom pool with swim-up bar. Breathtaking design especially at night when the pool lights are glowing.

MIOUCH features a full beam hydraulic swim platform that gives easy access to the water and also gives the ability to carry up to a 6.5m tender, thus solving the issue of removing the davit on the upper deck. Standing out from your traditional white tri-deck, MIOUCH features a custom gold hull that also glows in the evening as she has additional underwater lights that surround the entire vessel.

Principales caractéristiques

Zero Speed Electric Fin Stabilization
