MONACO

APERÇU.

An exceptional classic yacht with a world class pedigree, MONACO is truly something special. Built and fitted out by Feadship, she's been kept in immaculate condition with no expense spared to preserve her traditional charm while keeping pace with contemporary levels of luxury and comfort. From her crisp lines and authentic exterior details to the glorious original features of her beautifully crafted interior, this is a vessel to delight any yachting connoisseur.

You don't need to be an expert to appreciate her charms, though. MONACO delivers a yacht charter experience for up to eight guests that is as practical and versatile as it is refined. Great swathes of windows give panoramic sea views from inside and make her lounges as bright and airy as a modern yacht. The interior layout is open and sociable with a strong impression of ample space throughout.

The chic, open top deck is a sunbather's paradise, subtly screened to ensure your privacy and shelter you from the breeze. The enormous upper aft deck is a perfect place to spend a day at anchor or in harbour, with plenty of seating and lounging options in both sun and shade. There's a lovely intimate seating area on her secluded foredeck and the main deck aft is a superb place to dine or relax and unwind, snug and spacious with ample shade and a sweeping panoramic view. Full walk-around decks on all three levels are an excellent traditional feature that enhances the enjoyment of being on board.

Another great asset is her ability to carry two large guest tenders, when most yachts only have one. This gives you flexibility – half of your group can go ashore for the afternoon while the others enjoy an action-packed watersports session – and when everyone wants to waterski or ride on inflatable tubes, having two boats to do the towing makes it a lot more fun. Her fleet of small craft also includes a sailing dinghy, kayaks and paddleboards, so there's something for everyone.

All four of her cabins are luxuriously finished and furnished, but the master suite is a spectacular place to be. Up front on the main deck, it has windows on three sides – looking forward, port and starboard – with a stylish en suite bathroom and an armchair as well as a sofa alongside the king size double bed.

Watch her approach an anchorage and you'll appreciate her beauty. Come on board and prepare to be charmed.
