MONTENAPO

# APERÇU.

Montenapo is a brand new Riva 88 Folgore and was built throughout 2023 and launched in November. In 2024 she will perform her first summer Charter season. She is the new sportfly: strong and innovative, with dazzling beauty. The magnetic charm of her design is all in the balance between past and present, in the concept that combines the use of innovative materials such as carbon with traditional styles, such as mahogany inlays and steel decorations. Her stunning regal silver hull which is a new colour introduced by Riva makes Montenapo one of kind. She has zero speed stabilizers and a variety of custom features throughout.
