

# MOSKITO

# APERÇU.

**Look no further if you're seeking the very latest in contemporary luxury charter. MOSKITO is an almost brand new 55-metre (180ft) tri-deck yacht – delivered in 2021 – with an illustrious pedigree. She's built by the elite Heesen shipyard with an enormous 760GT of interior space and a next-level luxe interior design by the renowned Bannenburg & Rowell studio that showcases fine craftsmanship and iconic modern art in the best possible taste.**

Size isn't everything in superyachts, the quality of the living space is equally important. The world class expertise of the Bannenburg/Heesen design and build team shines through in the perfect proportions and ergonomics of the outdoor spaces on board, from the sundeck's infinity-style jacuzzi pool and the breezy foredeck lounge to the cool, relaxing shade of the two aft decks and the chic, spacious beach club and sauna.

Her huge interior has been shrewdly configured to host a charter party of up to 12 people in six generously proportioned cabins, ensuring that all guests on board get to fully enjoy the luxury of space. With a generous complement of 13 crew, prompt and attentive service is assured. The layout is a well-judged balance of large, sociable communal spaces, like the subtly elegant yet supremely comfortable saloon, plus plenty of intimate nooks where privacy is assured.

The master cabin alone is a massive 82 square metres, beautifully furnished with a carefully curated selection of contemporary furniture and framed in spectacular style by five full-height windows on each side. Wherever you cruise, you're going to wake up with amazing panoramic views and start the day in a lovely living space that's flooded with natural light. The owner's suite includes private lounge and study areas, a big walk-in closet and a spacious marble bathroom.

Watersports enthusiasts are well catered for with a full choice of top-quality kit on board. Few yachts have a catamaran sailing dinghy, but this one does. She's also got two jet-propelled seven-metre RIBs and a range of towable toys, plus jetskis, SeaBobs, kayaks, water skis, wakeboards, wakesurfs, snorkelling gear and more.

She's not just the last word in opulence, though, she's also remarkably efficient. Her state-of-the-art Fast Displacement hull design by Van Oossanen allows her to cruise at a brisk pace of 14.5kts with extremely low fuel consumption, significantly lowering the carbon footprint of your charter.

## Principales caractéristiques

---

**Low fuel consumption**

---

**Child friendly yacht**

---

**Spa facilities: sauna, hammam**

---

**Beach club at sea level**

---

**Flexible cabin configurations**
