MR T

APERÇU.

Delivered in 2014, MR T is a 46m motor yacht for sale built by Italian shipyard Baglietto. Her interior design and exterior styling comes from the drawing boards of Francesco Paszkowski Design, while Baglietto is responsible for her naval architecture.

MR T offers accommodation for a total of 12 guests across five cabins. She is also capable of carrying up to nine crew onboard to ensure a relaxed luxury yacht experience.

The master suite is located forward on the main deck, benefiting from the widebody design that maximizes interior volume. Upon entering, guests are greeted by an elegant study with views through the large hull port. The sleeping area follows, providing a serene environment.

MR T features a clipper bow, which provides a classic and functional profile. The deck is crafted from teak, known for its resilience and weather resistance, providing a reliable surface for outdoor activities. The main aft deck includes a banquette settee and loose seating, while the upper aft deck features a large dining table beyond the upper saloon dining area. The sundeck offers a bar, additional dining, seating areas and sunpads.

Powered by twin diesel Caterpillar (CATERPILAR C 12) 12-cylinder 1,950hp engines, motor yacht MR T is capable of reaching a top speed of 16 knots, and comfortably cruises at 12 knots.
