NAIA

OVERVIEW.

At 73.6m (241.4ft), NAIA is a stunning and versatile explorer yacht, meticulously crafted to deliver exceptional experiences. A proven charter yacht, she offers superb volume both inside and out, designed to delight even the most discerning guests.

Mark Berryman's luxurious yet soothingly zen interior has been carefully designed to create a warm and welcoming environment. Guests will be captivated by the gorgeous bridge deck lounge, featuring rich leather flooring perfectly complemented by mild brown wood panelling and cabinetry. Large U-shaped sofas, a cinema screen and a dining table invite relaxation and socialisation with family and friends.

NAIA boasts a dedicated owner's penthouse deck, hosting the master suite with panoramic views, a private office, private exterior terraces forward and aft, and a stunning bathroom featuring elements of bamboo and light stone. A further six double guests cabins, four of which convert to twins, plus a single cabin with additional pullman berth, are all on the main deck, benefiting from abundant natural light and outstanding views. An elevator conveniently serves all decks.

The helipad, convertible into an expansive sun lounging area with stylish loose furniture, provides the perfect vantage point for admiring the pristine surroundings. It is also fully certified for helicopter landings during charters. If you wish to get some exercise, the adjacent gym has all the latest equipment and a large central jacuzzi.

NAIA comes with an exhilarating fleet of tenders and a comprehensive selection of watertoys to keep everyone active. Exploration and diving are a highlight on board thanks to an extensive inventory of equipment and dedicated diving room. Her ice class 1D hull expands expedition possibilities, allowing you to venture off the beaten track and explore more remote destinations.

With her experienced crew, comfortable accommodation, and varied range of amenities across four guest decks, NAIA promises an extraordinary charter experience that will surpass all expectations. Contact Burgess today to plan your superyacht charter.
