NATALIA V

# OVERVIEW.

**Now benefiting from a full interior refit and contemporary redesign by Tino Zervudachi that complements the boat's classic exterior styling, NATALIA V is a popular charter yacht with a Made in Italy stamp of approval. Built in 1990, boasting large exterior deck spaces for lounging and large interior volume, NATALIA V enjoys an abundance of natural light that fills the guest areas. AI fresco dining on the main and upper decks aft invites long lingering lunches. On the sun deck, the on-deck Jacuzzi surrounded by oversized sunpads invites bronzing by day and sundowners by night.**

NATALIA V accommodates 10 guests in five well-appointed cabins, including a full-beam owner's suite on the main deck, with walk-in wardrobe and en suite. Two doubles and two twins reside on the lower deck, each with en suite.

Boasting transatlantic range for off the grid exploration, zero speed stabilizers for guaranteed comfort, and ideal for families with a child-friendly crew and layout, NATALIA V is a tempting option for a summer of fun on the water. She also is an eco-friendly choice for a charter, with an innovative engine system that boasts low exhaust emissions, noise reduction, and controlled fuel consumption at any running cycle.
