**The most head-turning yacht on the planet is ready to welcome you on board. 'Quiet luxury' is the name of the game, and guests will be transported to a glamorous bygone era but with all the mod-cons of the 21st century.**

NERO is an all-modern superyacht with classically-inspired lines. Designed in the 'spirit of Corsair', an iconic yacht launched in the 1930s that belonged to American financier JP Morgan, she truly embodies the glamour of yachting's golden age. This sophistication is evident throughout NERO, from her clipper bow to her iconic yellow funnel.

The head-turning queen of any anchorage, NERO is in immaculate condition. A 2021 refit included a full repaint and deck refresh, which has been meticulously maintained ever since. Inside, the contemporary yet classically elegant interiors come courtesy of Laura Pomponi who has masterfully kept the balance between a light aesthetic and NERO's 1930s soul. Expect beautiful handmade carpets paired with tasteful soft furnishings in nautical hues, as well as a scattering of artworks that showcase both tall ships and steamships.

Accommodating up to 12 guests across six luxurious cabins, NERO is perfect for family or groups of friends for all occasions. A mix of extremely spacious double and twin cabins, all with en suites, ensures that every guest is well catered for.

Keep fit on board in NERO's state-of-the-art gym on the sun deck, complete with top-of-the-range Technogym kit including a Kinesis, treadmill, cross trainer and a cardio bike. You will also find loose weights and everything needed for yoga and Pilates, including a qualified physical trainer as part of the crew.

For all your pampering needs, there is a beauty salon on the upper deck for manicures, pedicures, hair treatments and massages. After your treatment by the crew's very own beautician and masseuse, freshen up in the en suite bathroom and shower and emerge energised and ready to take on the world. She also has a second massage room if you need a change of scene.

For families, the top-of-the-range Icon AV/IT system enables streaming for all devices and a genuinely theatrical experience in the observation lounge cinema. Paired with homemade pizza straight out of the pizza oven and you've got yourself a perfect movie night.

Your NERO experience begins before you even reach the yacht, with an exquisite 9.5m Corsair custom-built tender transporting you in impeccable style. And when you're on board, a packed toy garage filled with everything from an inflatable waterslide to SeaBobs ensures you have an action-packed charter.

If you feel like being the centre of attention while working on your fitness, pampering yourself, dining exquisitely, swimming in the pool and having a whale of a time on the water, you need look no further than NERO.
