# APERÇU.

**The 40m (131.4ft) NEXUS is an all-white, trideck yacht with striking triangular shaped windows from Sunseeker's acclaimed 131 series. Perfect for those seeking a modern, open plan, light filled interior with plenty of outdoor living areas including a swim platform and large sun deck jacuzzi.**

On the main deck, your spacious full beam master suite is subtly furnished in neutral colours, a plush cream carpet and silk bed throw - all offset against dark high gloss Zebrano wood. The suite leads to a large bathroom with full spa treatment steam shower. From the main deck, the stairs lead to the lower deck where a further four guest cabins are located for 10 guests. Here there are two VIP cabins and two convertible twin/double cabins with additional pullman berths for children. All are elegantly decorated with grey, taupe and cream tones with beautiful polished marble en suites.

NEXUS' modern interior style extends to the open plan main lounge where your guests can relax with a pre-dinner drink before taking their seats at the beautiful formal inlaid dining table. The light filled sky lounge located one deck above is finished in contrasting shades of cream, purple and silver-grey with a subtle hint of animal print. Here the marble cocktail bar and ambient mood lighting set the scene for glamorous after-dinner drinks. For dining outside, there is a large table on the upper deck with additional sun pads and suspended chair.

During the day, the exterior main deck serves as another outdoor lounge area with built-in seating and drinks table. Twin staircases either side lead down to the swim platform where you can sunbathe or dive into the water to test out one of NEXUS' waverunners or even embark on a diving mission with the underwater camera.

If you are seeking a little solitude on the open sun deck: a forward-facing sun pad surrounding the spa pool is the perfect area to unwind. This deck also serves as an outdoor gym area with the yacht's Watt exercise bike, free weights and yoga mats. Towards the aft, there is a full bar and covered area with L-shaped sofas and small tables.

Designed for wellbeing and relaxation, with all the modern additions such as an outdoor sound system, DJ mixing deck and colour lighting, the sun deck is ideal for al fresco lunches or evening entertainment.
